**SUPPORTING LIVES WORLDWIDE**

## ABOUT US

### WELCOME TO THE WORLD OF PILLFINE HEALTHCARE LLP

Pillfine Healthcare is a company headquartered in Ahmedabad, Gujarat, India, specializing in exporting pharmaceutical products, nutraceuticals, Ayurvedic dosage forms, and surgical products. The company was established in 2023 by two young Pharmacist Mr. Yatinkumar Shah and Mr. Umang Agrawal with the aim of improving global health and well-being by offering a diverse range of safe and effective healthcare products.

At Pillfine, we always prioritize trust, quality, integrity, and excellence in all our practices.

#### Unrivalled Turnaround Time

We have one of the fastest lead times within the industry.

#### Finest Quality Products

Our products are manufactured in WHO GMP and other regulatory-approved plants.

#### Finished Formulation Experts

After many years of experience, we have a bank of knowledge to share.

#### Expert Support and Advice

Our dedicated customer service team is ready to provide advice and expert support throughout the process.

We are committed to providing access to high-quality, affordable and innovative medicines, driven by our purpose of Supporting lives worldwide.

Our values, including reliability, consistency, and innovation, embody our promise to deliver on our mission.

## QUALITY ASSURANCE

The quality management system deals with the approval / authorization, distribution, control, review and storage. A team of highly skilled professionals undertake the inspection, quality audits and review of product specification.

## QUALITY CONTROL

The quality control department of our manufacturer is equipped with the most sophisticated testing equipment that ensures the best quality.

## RESEARCH AND DEVELOPMENT

A dedicated team of highly skilled professionals looks after the research and development of different new formulations to further expand our present portfolio.

# TEAM PILLFINE

Pillfine has a well-qualified and experienced team capable of developing customized manufacturing of products based on the client's choice of brand name and packaging.

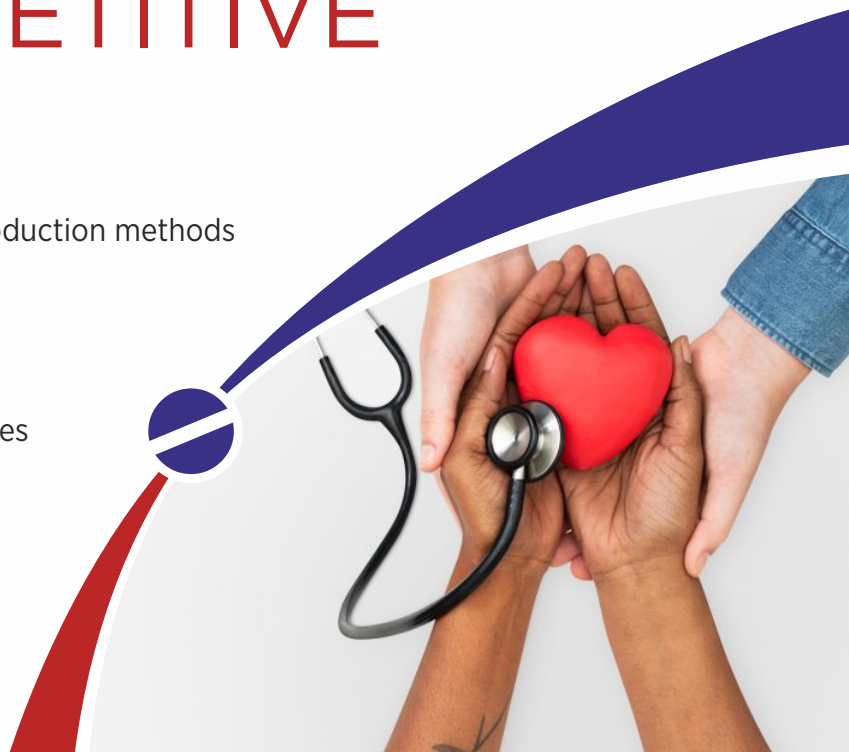

In addition, Pillfine provides guidance and suggestions for product and packaging development, designing artwork for the aesthetic appeal and quality of the product.
